## 2011-2012 LCPS Managing food Allergies in School Guidelines:

A high priority is placed in keeping all of our children safe. Students should be reminded to only eat the food that their parents send to school and to not share food. Mountain View follows the recently adopted LCPS guidelines for managing food allergies in schools

Parts of the guidelines include that only non-food items be sent in as an alternative to birthday and celebration treats.

# Miscellaneous

## Parents Needed

### School Improvement Development (SIP)

Mountain View Elementary has an ongoing school improvement team and we value parental input. We are seeking parents who would be interested in serving on a committee to help in the development of our 2011-2012 plan. Please contact the office for more information.
